Parental consent is requested for your student to be photographed/videotaped/recorded during the school year. This may include District promotional news clips for social media websites (including but not limited to Facebook, Instagram, YouTube, blogs etc.).

Acceptable Use Agreement - Rules and Regulations #6163.4(g) (Ref. Policy #6163.4)

As the parent or guardian, I hereby consent to my student's use of the Internet at school. I also agree not to hold the district responsible for materials acquired by the student on the system, for violations of copyright restrictions, users' mistakes, negligence, or any costs incurred by users.

Publishing Student Work/Photo/Name – Student work and photos may be published on the Internet for a world-wide audience via www.riversideunified.org or other District affiliated social media websites (including but not limited to Facebook, Instagram, YouTube, blogs, etc) with the consent of the student and (if the student under 18) parent/guardian.

Oral Health Assessment Form

California law (*Education Code* Section 49452.8) says every child must have a dental check-up (assessment) by May 31st of his/her first year in public school. A California licensed dental professional must do the check-up and fill out Section 2 of this form. If your child had a dental check-up in the last 12 months, ask your dentist to fill out Section 2. If you are unable to get a dental check-up for your child, fill out the separate Waiver of Oral Health Assessment Requirement Form.

This assessment will let you know if there are any dental problems that need attention by a dentist. This assessment will also be used to evaluate our oral health programs. Children need good oral health to speak with confidence, express themselves, be healthy and, ready to learn. Poor oral health has been related to lower school performance, poor social relationships, and less success later in life. For this reason, we thank you for making this contribution to the health and well-being of California's children.
